“Be on your guard; stand firm in the faith; be courageous; be strong. Do everything in love.”

— 1 Corinthians 16:13-14

Dear Parents,

Welcome to the Weekday Learning Center (WLC), a special place where children grow in God’s wisdom, love, and courage. As we continue to celebrate 35 plus years of faith-based early childhood education, we reflect on the many ways God has guided our journey—and we look forward to the year ahead with great excitement!

WLC is a ministry of Atascocita Methodist Church and provides care and education for children from 2 months through kindergarten. Our program runs August through May, and students are placed by age as of September 1st. Children are grouped by both age and developmental readiness. Some children may graduate to the next age grouping during a school year.

Our curriculum is rich in learning and play-based experiences and includes:

- Academic instruction tailored to age and stage
- Daily Chapel and character-building activities
- Movin’ & Groovin’ gross motor skills class
- Outdoor play and structured playground time
- Library visits for early literacy engagement
- Weekly music class with Dr. E, Director of Music Arts (PK5 Bridge and Kindergarten)

Our classrooms are thoughtfully equipped with books, toys, manipulatives, and developmentally appropriate learning tools. Our Kindergarten room even features an

interactive smartboard to support enriched learning. Our passionate and dedicated staff continually seek new strategies and best practices through training and prayer. Each day begins with devotion and prayer, seeking God's wisdom in all we do.

Families stay connected with the classroom experience through Brightwheel (www.mybrightwheel.com), our secure online communication app, which provides daily reports and updates. We also share photos and short videos on the WLC Facebook page, offering a glimpse into the joy-filled moments of each school day.

Open Registration for the 2026-27 school year and Summer Fun 2026 will begin the morning of February 23rd with doors opening at 7:00am. Classes are filled on a first come, first served basis. Registration line before doors open will form at the front doors of the AMC Life Center where the WLC Office is located (the metal and brick building closest to the wooded lot). Registration will continue with waiting lists formed for classes that fill. It is recommended that if a class is full, get on the waiting list for possible openings.
